Mr. Mike Andrews
Harrison County
mandrews@co.harrison.ms.us

Mr. Andrews,

The adopt-an-interchange program is designed to give municipalities the opportunity to make aesthetic improvements to MDOT rights of way within their city or county. Below is a list of information pertaining to the adopt-an-interchange program:

- The agreement must be between MDOT and a city or county.
- The agreement will allow the municipality to install and maintain plantings and other improvements to the intersection.
- The municipality must obtain a permit from MDOT for each improvement.
- The municipality will assume maintenance responsibility for all existing and future facilities within the MDOT ROW other than the roadway surface.
- To begin the adoption process send a written request to:

Mr. Kelly Castleberry, P.E.
MDOT 6TH District Engineer
P.O. Box 551
Hattiesburg, MS 39403-0055

- For additional information feel free to give me a call.

Thanks,

Cape Jones, P.E.
Assistant District Maintenance Engineer
MDOT 6TH District
601 544-6511
