Leah Huffman

Treasurer  
Angela Dillon

Secretary  
Karen Levins

Dear Community Leader:

The Mississippi State Champion Harrison Central High School Cheer Squad, nationally ranked for the past four years, has begun their new year. We are very proud of these young people for their accomplishments and service to our community. Whether at athletic events, leading pep rallies or performing community services, their unique style and diligent work habits always ensure an exciting and effective outcome for all. The HCHS cheerleaders show their school pride and impress their community each year by participating in a wide variety of events and functions while maintaining an impressive overall squad GPA.

By promoting school spirit, competing in state and national competitions, being involved in the community and focusing on academics, this squad exemplifies high standards, dedication, and teamwork. Being part of the state champion Harrison Central High School cheerleading squad requires funds for competitions, uniforms, and travel. We are asking your support for these outstanding young people by providing a sponsorship for the new 2011-2012 season. In doing so, your name will be printed on the back of the HCHS Cheerleader sponsor t-shirt that the squad wears to all state and national competitions, fundraisers, and daily events. Your name will also appear in the Harrison Central High School Football Gridiron program, which is distributed at all HCHS home football games. A sponsor form is attached for your use.

Thank you for your continued support of the Harrison Central High School cheerleaders.

Sincerely,

Harrison Central High School  
Cheerleaders Booster Club
